ABOUT TASKEYLENS

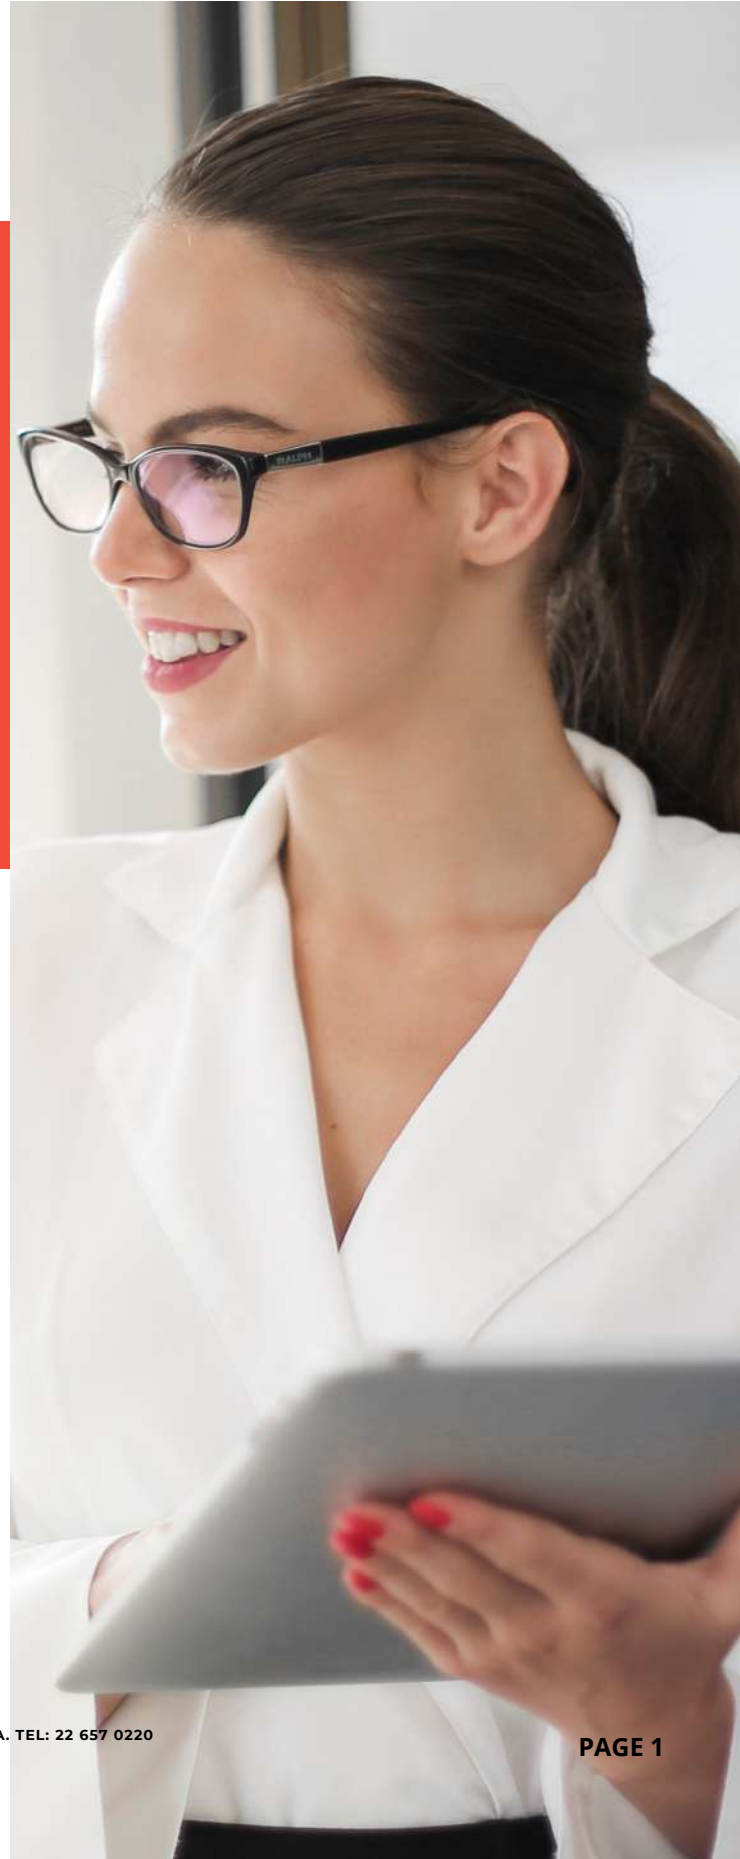

We are an International IT & Education Service providing company and a registered training institute based in Warsaw, Poland. (Company registration no. KRS0000776894 & training registration no. # CIZ.II.4052.258.2020.PW).

From identifying skills & talents to discovering one's strengths and opportunities corresponding to their very own interests, acumen and acquaintances. We can assist in doing it all. We always work inquisitively on different projects to find ways to boost confidence and improvise skills in individuals at all levels and stages of life and careers. Providing a complete transformation in people, groups and communities. Our mission is to provide students and professionals with the most comprehensive and complete educational experience that brings their learning engagements and career objectives together.

"Working together is the best way to get things started"

TASKEYLENS WARSAW

OUR INITIATIVES

TASKEYLENS' ICF 2019

Talents and skills can be attracted by actively shaping and enriching one's knowledge and personality. Leading the process to pave way for self-identification molded with confidence and sage.

Taskeylens soon after its launch organized the International Career Forum (ICF) in August 2019. A 3 days event that brought successful entrepreneurs, coaches, trainers and leaders of Warsaw on one platform to share their experiences and insights from various industries like IT, Insurance, Finance, Sustainable Development Goals, Education, Defense, Marketing, Strengths Finder and Life Purpose Goals. More than 40 students had signed-up for the event.

WARSAW EVENTS

Start-up Events in Warsaw:

We have been actively participating in various networking events that build and create exclusive communities and opportunities for international talents who need a great head-start in their ventures.

Few of the happening events in Warsaw that Taskeylens has been associated with are : The Venture Cafe Thursday Gathering, Start-up Poland Demo Day, V4SDG workshops and seminars, Business Coaching by the Academy of ecoCoach etc.

UPCOMING OPPORTUNITIES AND MORE

HOW IS LIFE AT TASKEYLENS?

TASKEYLENS is an equal opportunity employer and we've worked in myriad communities to successfully build conducive work environments that reflects our ideologies beliefs and mission to elevate inclusivity and diversity.

What it's like to be with us?

- **Face the Challenge:** We like challenges and we want you to get into the core of facing them when you work with us. Our step by step approach towards growth and learning with shared experiences has been a true blessing to many students, professionals and individuals from all walks of life.
- **Get Trained & Get Hired:** We've been working with our strategic partners in Central Europe and worldwide to bring you the most promising career development strategies that works just right for you. And when you're in the middle of making some of the most important decision of your career, we've got it all set for you. Be it international internships, on the job training, training and development, upgrading and re-skilling courses, mentoring and coaching sessions etc. We've got everything you need to help you find success in the most contemporary and professional way.
- **Taskeylens the Way Forward:** From our journey that began in 2019, Taskeylens has been moving towards growth and expansion. Our focus has been both girded and well-aligned to our vision and mission in education and IT solutions services. We want to internationalize education and provide professional services as a method to provide solutions for today's problems.
