Focal Points

Framing the Focal Points

Student Oriented

Taskeylens International Career Forum is inline with its mission, which is to provide students with the most comprehensive and complete educational experience that brings learning engagements and career objectives together. Our objectives stand girded on three of our important pillars ACCESS, FOSTER & REACH. We provide a platform for students & professionals in making their international careers reach newer heights.

Career Centered

Seminars & Sessions delivered by experienced resource personnel and educationists on career development strategies, corporate leadership & entrepreneurial roles capitalizing and augmenting a better understanding of developing pathways to achieve the desired career and life goals.

Corporate Leadership

Students & Professionals seeking a practical overview of the industry that they intend to start a career can benefit through this event as they need someone who can assist in sharing the ground reality of industry's upbeat future in real time discussions and contemporary forum of like-minded peers and participants.

Framing the Focal Points

Life Purpose

Find your innate abilities and strengths to garner new responsibilities as leaders of tomorrow and lead the crowd. Discovering or re-discovering who you really are, what you're really good at and what gives you fulfillment is at the heart of the Authentic Business Workshop.

Openly Networked

Industry renowned dignitaries and leaders managing international corporations from all across Europe are invited as guest speakers. Experience & knowledge are the key important factors that makes Taskeylens International Career Forum an unprecedented event that helps students & professionals to meet the right people at the right time.

Sustainability Development

The Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including those related to poverty, inequality, climate, environmental degradation, prosperity, and peace and justice. The Goals interconnect and in order to leave no one behind, it is important that we achieve each Goal and target by 2030. Our partners V4SDG would enlighten students to implement initiatives and encourage them to be the change for a better tomorrow.

Taskeylens International Career Forum 2019

About Taskeylens

Taskeylens is an international educational consultancy based in Warsaw, Poland. From identifying skills & talents to discovering one's strengths and opportunities corresponding to their very own interests, wits and acquaintances. Taskeylens does it all for you. Our mission is to provide students and professionals with the most comprehensive and complete educational experience that brings their learning engagements and career objectives together. Our objectives stand girded on three of our important pillars ACCESS, FOSTER & REACH. We provide a platform for students & professionals in making their international careers reach newer heights.

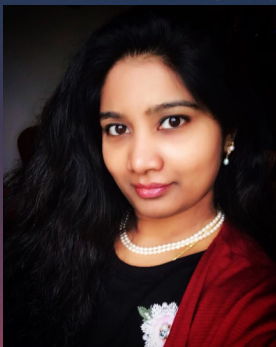

Founder Members

Emmanuel Joseph

Founder & President

As the Founder President of Taskeylens, Emmanuel is responsible for the overall planning & execution of various educational initiatives in India & Europe. After a successful stint of 10 years in mortgage finance & financial services career in Mumbai, his life purpose was discovered in 2017 when he arrived in Poland. The purpose was to bring successful careers and life goals together through an amazing concept called TASKEYLENS EDUCATIONAL SERVICES.

Preethi Emmanuel

Co-Founder

As witty as she can be, Preethi apart from being a Co-founder in this family venture looks after IT related projects. From web designing, web applications, development & programming, she manages overall projects implemented both inhouse and offshore. She is a software engineer by profession and takes keen interest in maintaining and managing upcoming projects.
