## EXPLORE NEW OPPORTUNITIES ONLY ON T.I.I.P. 2022

TASKEYLENS invites you to a whole new world of discovering your life and career goals. We are here to provide students with:

- ACCESS that helps them to move ahead in their careers.
- FOSTER students' educational and career needs by bringing learning and training initiatives.
- Finally, we find the right platforms where they could get to showcase their talents in order to make their career goals REACH newer heights.

## WHAT IS T.I.O.S.?

T.I.O.S. is an initiative that promotes **INTERNATIONALIZATION OF STUDENTS** globally.

Paves the way to a promising **INTERNATIONAL CAREER OPPORTUNITY** for students, nascent entrepreneurs and professionals globally.

Provides an international platform for students to showcase their **TALENTS, SKILLS** and expose their **POTENTIAL** to build an optimistic career strategy and pathway internationally.

POLAND

### HIGHLIGHTS

# TIIP 2022 PROGRAM

## FOCUS

- A blended program that brings TASKEYLENS' two major educational events together in order to provide students the flexibility and accessibility in meeting their career specific needs.
- Starting from building a significant international network to learning effective corporate leadership skills and most importantly, embracing the cultural dynamics in a global corporate market.
- We provide you the opportunity in many different directions to help you identify your strengths and potential that gets aligned to your interests and acumens.

# TIIP 2022 PROGRAM

# METHODOLOGY

## INTERNATIONAL INTERNSHIP PROGRAM (IIP)

- Gives an opportunity to work and get trained on a dream international internship project in Poland's well established corporate set-up.
- Exposure to business organizations with enhanced career prospects leading to both practical and theoretical learning engagements.

## EDUCATIONAL TOURS

- Educational Tours extend the walls of your classroom, bringing your lessons to life.
- With a combination of tours, site visits, and experiential learning opportunities, Taskeylens customizes each subject-specific trip exposing students to new and authentic opportunities.

What to expect?

Being Challenged

Create new ideas

Have fun while you work

## ON THE JOB TRAINING

- Working at the Internship-Office from 9 to 5 as per official working hours.
- Access to work on live international projects.
- Interact with corporate leaders, mentors and participate in various official events and strategic meetings.
- Building Corporate networks and streamlining corporate contacts for future reference and follow-ups in initiating successful ventures.

## TRAINING & DEVELOPMENT

- Attend T & D programs organized regularly.
- Get access to training programs by ecoCoach community with experienced and qualified Business Coaches who'll train you to become successful Business Coaches and Entrepreneurs in transforming business dynamics for other corporate leaders, entrepreneurs and start-ups.
- Learn how to master business strategies and build professional relationships for life with industry experts and leaders.

## WORKSHOPS & SEMINARS

- Discover yourself.
- Know yourself and become aware about your internal and external characteristics that affect you to become more resilient and less vulnerable to circumstances and people around you.
- Find your life purpose and goals.

## SITE SEEING & TOURS

- Walk around and get mesmerized by the culture of Poland and its rich history.
- Know the people, food and art and culture by visiting some of the magnificent cities with astounding artifacts, European architecture, cultural sites and museums.
- Get familiarized with Poland's growth and transformation after WWII.

# Advantage T.I.I.P. 2022 OJT

# OUR STRATEGIC GLOBAL PARTNERS & PROJECTS IN POLAND

We are in constant pursuit of challenging assignments to shape the future of the world we live. And that motivates us to find solutions that are necessary to bring transformation and change in our socio-economic and humanitarian environments.

# OUR UPCOMING PROJECTS

## CURRENT PROJECTS

Some of our projects lined up are:

- **FutureYou:** An Online Platform for assessing right career opportunities with much deeper focus on life goals and purpose. FutureYou, now makes it possible for students and professionals to take up interesting career opportunities globally with comprehensive tools and knowledge.
- **NOBINS:** Taskeylens is looking ahead of time to resolve issues on food waste & hunger with the help of NOBINS application; The two important aspects dealt by NOBINS app are a) To minimize food waste at consumption level and b) Optimize the redistribution of food between wholesalers, retailers and final purchasers.
- **THINK BIG STARTUP:** A one-point platform for all startup ideas to make an impressive impact and let's the ideas soar high enough to become the next "Think Big Startup". Visit: Think Big Startup ([taskeylens.eu](http://taskeylens.eu))
